PeerTalk is a registered charity, initially funded by the Methodist Church. We are expanding our reach nationally to support people living with mental distress and overwhelm. The need is clearly evident, and it is good to see that our peer support groups offer hope to those in a difficult place. We are mindful that the approach to Christmas and the New Year can be a particularly difficult time for many and ask you to remind your community that this support is freely available right now.

Some come to our groups having been signposted through their church communities, and this encourages us. Many thanks for your support. We know it can make a difference.

200th Anniversary Commemorative Pens are available costing £1.00 each.

Please see John Buxton if you would like one.

Revd Peter Knight died in the early hours of Friday morning. Peter served in the Southport Circuit of the Liverpool District for a number of years and was held in high regard by his colleagues and congregations alike. He left that appointment two years ago to serve as Superintendent of the Vale of Stour Circuit in the Wolverhampton and Shrewsbury District. Sadly, shortly after leaving Southport, Peter was diagnosed with terminal cancer. Peter died, having spent the Christmas period with his closest family, and having spoken openly and courageously about his illness and pending death in the light of his faith. He has been, and will continue to be, an inspiration to many and will be hugely missed.

At present there are no details about his funeral. Peter was well known across the District. Please keep colleagues and congregations in the Southport Circuit in your prayers, as this will be a very difficult time for them.
